

Residential and Commercial Mortgage Services

UrbanStar Mortgages is a fully diversified mortgage brokerage specializing in both residential and commercial mortgages. In both business lines, UrbanStar analyses the real estate project, structures a financing proposal, and assists in a financing commitment from the lender, no matter its origin. The company has two distinct core businesses:

BENEFITS TO YOU

- 100% commitment to our clients.
- Services and reporting personalized to meet your needs.
- Experience and market knowledge of our team

Commercial

UrbanStar Mortgages offers commercial mortgage brokerage services. If you would like to purchase a building, develop land, refinance your existing mortgage or undertake a construction project, we can help.

- Purchasing a Commercial property?
- Land and land servicing financing?
- Multi-family residential construction financing?
- Commercial and retail construction financing?
- Condominium conversions and renovation financing?

Residential

We are an independent team of mortgage professionals that can assist you to own a home and need a mortgage or a line of credit, let us save you time and money.

We believe that Canadians deserve the choice of mortgage providers, an easy and convenient financing process and the unbiased counsel of dedicated and informed mortgage professionals.

We believe that an independent advocate working for the consumer affords a better value than traditional methods of getting a mortgage. We will talk to the banks and lenders for you to get you the best interest rates and terms available.

- Need a mortgage?
- Need to renew your mortgage?
- Need to refinance your mortgage?
